ROLE & RESPONSIBILITIES

WHAT IS A PRECINCT & WHERE IS MINE?

A precinct is both your neighborhood and your voting district. We've prepared a list of registered Republicans in your precinct for your reference. To view or request a map of your precinct, please contact the Sweetwater County Clerk's office.

LET'S TALK ABOUT THE ISSUES!

You, your friends, and neighbors have valuable real-world experience and insights about the challenges we face. Sharing your knowledge can help inform the party and guide our elected officials in finding practical solutions.

ATTEND QUARTERLY MEETINGS!

As a precinct representative, your role is to advocate for the wishes and priorities of Republicans in your area. Attending quarterly and special meetings whenever possible to ensure their voices are heard on key issues.

FILLING ELECTED OFFICIAL VACANCIES

If a vacancy occurs in a county Republican elected office or legislative seat, it is the responsibility of the voting members of the Sweetwater County Central Committee to nominate three candidates.
